**Trying to Manage your
TYPE 2 DIABETES?**

A new clinical research study is underway.
Join us if you struggle with blood sugar control.

**When you take part in this
FDA approved clinical
research study:**

- Health professionals monitor your diabetes
- Qualified participants will receive:
 - Study medicines
 - Diet counseling
 - Study-related medical care and testing
 - Qualified participants may be compensated for time and travel

You may qualify if you are:

- Diagnosed with type 2 diabetes for at least 3 months & taking any oral diabetic medication or insulin
- Not taking injectable Byetta or Victoza
- Struggling to control blood sugar (hba1c > 7.0% and < 10.0%)
